About Us

Ningbo Climate Electric Appliance Co., Ltd. is located in cixi city, the largest production base of small household appliances in China. As Top heating and cooling supplier in Ningbo area, Ningbo Climate manufacture and export all kinds of heaters and coolers to the world, especially Europe.

Climate treat develop new value for customer as own life. Not only product,but also service, solution of purchasing, business models, even culture innovation. We focus on DIY range, specializes in heating and cooling. We have over 20 years experience in the home appliance industry, servicing over 120 customers from 30 countries. Our production process with well-equipped facilities and all-round quality control process, and our products are guaranteed by standard certificates of CE,GS,CB,ROHS,SAA,ETL for different markets. We attaches great importance to the combination of healthy and environment-friendly product quality, perfect appearance performance and healthy lifestyle. Our products have excellent quality and competitive price, they sell well all over the world.

FH108A/FH108

- 2 heating power settings: 1000/2000W
- Adjustable thermostat
- Overheating protection
- Safety fuse inside
- Power indicator light
- With carry handle
- Water proof: IP21
- Tip-over switch for optional
- Oscillation function（only for FH108）

Model	Power	G.W./N.W.(kg)	Gift box(mm)	Export carton(mm)	PCS/20	PCS/40	PCS/40HQ

INDUSTRIAL FAN HEATER

YXD-20H

IP24

- Mobile air heater
- Function on diesel oil or kerosene
- Cut-off protection,re-plugged in will not work automatically
- Stainless steel combustion chamber with fan cooling
- Low pressure atomization,combustion completely
- With flame sensor
- If no oil,heater will cut off the power
- Fixed oil display
- With P.C.panel to smart setting temperture

YXG-10M/15M/30M/50M

IP24

- Protable air heater
- Function on propane gas(LPG)
- With over-heating protection
- Special nozzle,with strong oxygen supply make combustion completely
- Cut-off protection avoid gas leaking
- Deflation and ignition operate design
- Ideal for construction sites,utility/farm buildings,sports events,barns and factories
- Regulator & 1.5m hose included
